The original version of this article unfortunately contained a mistake. In section Erosion measurements, the reference Friend et al. 2003 should be removed from the first five lines.

Revised text should read:

“The measurements of erosion potential were carried out using the EROMES device (Andersen 2001; Andersen et al. 2010; Andersen and Pejrup 2002; Austen et al. 1999; Harris et al. 2016; Schünemann and Kühl 1991) (Fig. 1a).”
