Correction to: Biology and Fertility of Soils (2018) 54:363–372

<https://doi.org/10.1007/s00374-018-1265-x>

The above article originally published with an error present in the article title, “***p*-Coumaric** can alter the composition of cucumber rhizosphere microbial communities and induce negative plant-microbial interactions” this should instead have read, “***p*-Coumaric acid** can alter the composition of cucumber rhizosphere microbial communities and induce negative plant-microbial interactions” [bold text used to highlight problem area].

The remainder of the article remains unchanged.

The online version of the original article can be found at <https://doi.org/10.1007/s00374-018-1265-x>
