ESM to: Li, M. K., and Coauthors, 2020: An examination of the predictability of tropical cyclone genesis in high-resolution coupled models with dynamically downscaled coupled data assimilation initialization. *Adv. Atmos. Sci.*, **37**(9), 939–950, <https://doi.org/10.1007/s00376-020-9220-9>.

In the figure legends of Fig. 8, the solid-dot and dashed lines should be switched over. The correct figure is shown below. We apologize for that.
