Correction to: Climate Dynamics
<https://doi.org/10.1007/s00382-019-04819-9>

In the original publication of the article, a minor error in analysis of ERA-Interim forecast rainfall caused an error in Figure 4 and legend. The corrected Fig. 4 and legend is given in this correction article.

Fig. 4 Mean instantaneous sea level pressure contours (hPa) from ERAI within a 20° radius of all anticyclones in the Australian region, 1980–2016, and associated 6 h forecast rainfall accumulation (left)

and air temperature anomaly relative to the 1979–2018 average for that hour and month (right)
