Correction to: Pediatric Surgery International
<https://doi.org/10.1007/s00383-022-05062-w>

In Table 4 of this article, under column “13+ years n (%)” and row “Genitourinary” with a value of “10 (0.2)” which should be changed to a superscript “b” similar to the other censored values in the table. The corrected Table 4 is given here.

The original article has been corrected.
