Correction to: International Journal of Colorectal Disease

<https://doi.org/10.1007/s00384-020-03615-w>

The authors regrets that there is a typo error on Tables 1, 2 and 3 of their published paper. The Table entry "SIII" should have been "SII" as indicated in the footnote section of the Tables as "SII = systematic immune-inflammation index". The authors have requested that this be noted. The remainder of the article remains unchanged.

The online version of the original article can be found at <https://doi.org/10.1007/s00384-020-03615-w>
