Correction to: International Journal of Colorectal Disease
<https://doi.org/10.1007/s00384-021-03931-9>

In the original published version of this article, the term “paromomycine” should have been corrected to “paromomycin”.

The original article has been corrected.

The original article can be found online at <https://doi.org/10.1007/s00384-021-03931-9>.
