In the original publication of the article error has occurred in Fig. 1b. The third strip in Fig. 1b was covered by the layer

of the second strip, however this error does not affect the experimental conclusion. It is just an internal reference strip. Please find the correct figure below.

The original article can be found online at <https://doi.org/10.1007/s00394-017-1441-z>.
