Correction to:
European Journal of Nutrition (2018) 57:1301–1312
<https://doi.org/10.1007/s00394-018-1636-y>

In the original publication, the disclosure of potential conflicts of interest statement was not correct.

Please find below the correct statement:

Potential conflict of interest

The author spoke at a meeting of the European Starch Producers Association and EU commissioners (2017) about production and potential health effects of Iso-glucose. The author contributed to the Foundation-Kenniscentrum Suiker en Voeding (Knowledge Center Sugar and Food) for 2 evidence based educational videos about sugars, metabolism

and health (2017) and prepared a text entitled “Voeding met een laag koolhydraat gehalte” (Food with a low carbohydrate content) for their educational newsletter (2018). The author took part in an invited expert panel (2015–2017) convened by ILSI-EUROPE with the aim to review international nutrition and food based guidelines about sugars, carbohydrates, fibers and health published in EJCN (<https://doi.org/10.1038/s41430-017-0035-4>).
