Erratum to: Arch Orthop Trauma Surg DOI 10.1007/s00402-015-2357-9

The author would like to correct the errors in the publication of the original article. The corrected details are given below for your reading.

In “Results” section, fourth and fifth sentence should read as:

Only 1 out of 78 fractures had a single additional lesion, a lesion of the triangular fibrocartilage complex (TFCC). This patient resulted with a Castaing score of 4, respectively (“good”).

The online version of the original article can be found under doi:[10.1007/s00402-015-2357-9](https://doi.org/10.1007/s00402-015-2357-9).
