European Archives of Psychiatry and Clinical Neuroscience (2020) 270:325–335
<https://doi.org/10.1007/s00406-019-01028-7>

Additionally, this reference is cited in Table 1 and Fig. 2 as “Bonetto (2015)” and the correct citation is “Lasalvia (2014)”.

In the original article, the reference number #36 is listed with the wrong list of authors. The first author was unfortunately omitted. The correct reference #36 should read:

Lasalvia A, Bonetto C, Tosato S, Cristofalo D, Salazzari D et al (2014) First-contact incidence of psychosis in north-eastern Italy: influence of age, gender, immigration and socioeconomic deprivation. *Br J Psychiatry* 205:127–134.
