Correction to:

Contributions to Mineralogy and Petrology (2020)

175:38

<https://doi.org/10.1007/s00410-020-01676-2>

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original version of this article contained a mistake. After submitting the author-corrected proofs, the words omphacite and diopside in a reaction in the second paragraph were misspelled during typesetting. The correct reaction is:

diopside + albite = 2omphacite + quartz.

This erratum corrects the mistake and the original article is updated.

The original article can be found online at <https://doi.org/10.1007/s00410-020-01676-2>.
