

Erratum to: Differential effects of genes of the *Rb1* signalling pathway on osteosarcoma incidence and latency in alpha-particle-irradiated mice

Iria Gonzalez-Vasconcellos · Tanja Domke · Virginija Kuosaite · Irene Esposito · Bahar Sanli-Bonazzi · Michaela Nathrath · Michael J. Atkinson · Michael Rosemann

Published online: 5 December 2010
© Springer-Verlag 2010

Erratum to: Radiat Environ Biophys
DOI 10.1007/s00411-010-0339-4

Unfortunately, a typing error remained in the original publication of the article. In its abstract (left column, line 21), the text mentions "...22/24 in Rb1±..." what in fact must be "...11/24 in Rb1±...". We (the authors) are sorry for having caused any misunderstanding.

The online version of the original article can be found under doi:[10.1007/s00411-010-0339-4](https://doi.org/10.1007/s00411-010-0339-4).
