The author would like to correct two errors in this article:

1. In the legend of Fig. 1 it should be “...profile of left posterior canal BPV...”, *not* “...profile of right posterior canal BPV...”
2. The following reference was omitted from the reference list:

Pogson JM, Taylor RL, Young AS, McGarvie LA, Flanagan S, Halmagyi GM, Welgampola MS (2016) Vertigo with sudden hearing loss: audio-vestibular characteristics. *J Neurol* 263(10):2086–2096

This reference should have been cited in the last sentence of the section “BPV after acute vestibular syndrome” on the third page of the article.
