**Correction to: Journal of Neurology**  
<https://doi.org/10.1007/s00415-020-10215-9>

The original version of this manuscript unfortunately contained a mistake. For the Fig. 1 (Fig. 1d, e in the original article), the authors obtained the permission to reproduce the two pictures from the Bibliothèque nationale de France (BnF). Therefore, in the legend of these figures, it must be mentioned “with the permission of the Bibliothèque nationale de France (BnF)” instead of “with the permission of the Bibliothèque de France”.
