

## Correction to: Influence of oral anticoagulation on success rates and risk of bleeding events after iStent inject implantation combined with phacoemulsification

Randolf A. Widder<sup>1,2</sup> · Alexandra Lappas<sup>2</sup> · Corinna Rennings<sup>1</sup> · Matthias Hild<sup>1</sup> · Gernot F. Roessler<sup>1,3</sup> · Thomas S. Dietlein<sup>2</sup>

Published online: 24 September 2020  
© Springer-Verlag GmbH Germany, part of Springer Nature 2020

**Correction to:** Graefe's Archive for Clinical and Experimental Ophthalmology  
<https://doi.org/10.1007/s00417-020-04894-3>

The published online version contains mistake as the author's first name and last name have been interchanged as "Hild Matthias" instead of "Matthias Hild". The correct presentation is given above.

The original article has been corrected.

**Publisher's note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
