Correction to: Graefe's Archive for Clinical and Experimental Ophthalmology
<https://doi.org/10.1007/s00417-020-04914-2>

The published online version contains mistake on the top line of the third part of the equation. It should be: $27(\pi C1 + \pi C2 + \pi C3 + \pi C4)$. The $\pi C3$ seems to have been duplicated in the final version.
