Correction to: Graefe's Archive for Clinical and Experimental Ophthalmology <https://doi.org/10.1007/s00417-021-05266-1>

In the original published article, the individual collaborator names were not captured under the group name “IGATES Study Group”.

Authors would like to acknowledge and update the IGATES study group members - these members contributed to the IGATES study data. Authors would like to apologise for this oversight and use this opportunity to thank all the members and participants of IGATES study group.

This is being corrected in this publication.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s00417-021-05266-1>.
