**Correction: Graefe's Archive for Clinical and Experimental Ophthalmology**  
<https://doi.org/10.1007/s00417-023-06289-6>

In the published version of the original paper, the collaborator names were incorrectly captured after the closing of the institutional author resulting to incorrect output of the online version. All the collaborator names should be captured within the institutional author. The PDF shows the correct output.

The original article has been corrected.
