Correction to: Histochemistry and Cell Biology
<https://doi.org/10.1007/s00418-021-01984-z>

In the original publication of the article, Figure 1 has been published with an error. Instead of the Greek symbol mu, the fraction 1/4 has been inserted into the y axis.

The correct Fig. 1 is given in this correction.

The original article has been updated.
