Correction to: European Journal of Applied Physiology
<https://doi.org/10.1007/s00421-021-04615-6>

The authors would like to correct the following errors in the publication of the article.

Unfortunately, Fig. 2 and Fig. 3 were published incorrectly in the original publication of the article and omitted

superscript characters and presented incorrect values for the x-axis. The complete, corrected Figs. 2 and 3 are given below.

The original article can be found online at <https://doi.org/10.1007/s00421-021-04615-6>.
