Correction to: European Journal of Applied Physiology
<https://doi.org/10.1007/s00421-023-05181-9>

The original version of this article unfortunately contained a mistake. A small error in the energy-formula.

The original correct formula should be

$$E_{\text{total}} = \left(\frac{\text{RUT} + \text{RDT}}{2} + \text{PT} \right) * F * \text{PD} * (\text{MCA})^2 * R$$
