Correction to: Pflügers Archiv - European Journal of Physiology
<https://doi.org/10.1007/s00424-021-02627-x>

Originally, the article was published online with errors that do not reflect the content of the accepted manuscript. One table is missing (table 2), the table 2 should be table 3 and the citations of the tables and figures in the main text are not correct as there is a shift in association of all tables and figures 1-7.

The original article has been corrected.
