This article unfortunately contained two mistakes.

In Table 1, the correct mean value of the Real Calorie of Transformed Food is “363” and not “115” as written in the published article (last row, last column). The correct Table 1 is now presented.

In the “Results” section of the Experiment 2, sub-heading “Reaction Times”, in the first sentence Table 2 is mistakenly cited instead of Table 3.

The authors sincerely apologize for their mistakes and for any inconvenience caused.
