

Erratum to: Multidrug resistance protein 4 (*MRP4*) expression in prostate cancer is associated with androgen signaling and decreases with tumor progression

Matteo Montani · Thomas Hermanns · Michael Müntener · Peter Wild · Tullio Sulser · Glen Kristiansen

Published online: 1 June 2013
© Springer-Verlag Berlin Heidelberg 2013

Erratum to: Virchows Arch (2013) 462:437–443
DOI 10.1007/s00428-013-1390-8

The original version of this article, unfortunately, contained an error.

The published paper contained a typographical error in one of the authors' names. Thomas Hermanns was erroneously written with a double "r" in his last name ("Herrmanns"). The correct spelling of his name is reflected on this article.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00428-013-1390-8>.
