Correction to: Mycorrhiza

<https://doi.org/10.1007/s00428-020-02955-w>

The original published version of the above article contained an error. Under the section “Pathological findings”, the text originally read, “One of the four microsatellite markers (SMARCB1 **301**) showed loss of heterozygosity (LOH) in the tumor sample (Fig. 6).” should be read as, “One of the four microsatellite markers (SMARCB1 **303**) showed loss of heterozygosity (LOH) in the tumor sample (Fig. 6). The original article has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1007/s00428-020-02955-w>
