Correction to: European Journal of Paediatrics

<https://doi.org/10.1007/s00431-020-03867-2>

The original version of the above article contained some grammatical errors on the body. Some texts were changed to “were” instead of “was”, “disorders” instead of “disorder”, “appears” instead of “appear” and the presentation of Table entries under their respective headings were also arranged accordingly.

The original article has been corrected.
