In the original published version of this article under the last part of the Abstract section the author made changes on their presented data the corrected data are as follows [Bold text used to highlight problem area]:

Abstract

In the sentence, "At week 14, 69% of the patients responded to the treatment (57.1% of those with UC and 75% of those with UC; $p=0.238$)"

The correct version should have been: "At week 14, 69% of the patients responded to the treatment (57.1% of those with **CD** and 75% of those with UC; $p=0.238$)".

The original article has been corrected.
