Erratum to: J Cancer Res Clin Oncol
DOI 10.1007/s00432-007-0286-x

The original version of this article unfortunately contained a mistake. In the seventh sentence (14th line) of the section “Sample preparation and material”, the wrong number of male patients was given. In fact, there were 43 males (not 53).

The online version of the original article can be found under
doi:[10.1007/s00432-007-0286-x](https://doi.org/10.1007/s00432-007-0286-x).
