Correction to:
Journal of Cancer Research and Clinical Oncology
<https://doi.org/10.1007/s00432-020-03421-5>

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

In the original article, the reference Hwang et al. 2019 is incorrect.

The correct reference is “Nasal cavity metastasis from colorectal cancer represents end-stage disease and should be palliated. *Ann Coloproctol.* 2020;36(2):119–121. Published online November 13, 2019. <https://doi.org/10.3393/ac.2019.03.04>”.

The original article has been corrected.

The original article can be found online at <https://doi.org/10.1007/s00432-020-03421-5>.
