Unfortunately, in first sentence of the “Results” section of list 3.3, the word “scar” was incorrectly published in the original publication of this article. The line should read as follows:

“At this stage, the atretic oocytes begin to be easily confounded with ovarian connective tissue, remaining like a scar in the ovary”.

The online version of the original article can be found under doi: [10.1007/s00435-016-0322-y](https://doi.org/10.1007/s00435-016-0322-y).
