Correction to: Parasitology Research

<https://doi.org/10.1007/s00436-020-06892-0>

Abstract The hotspot map in the published document has incorrect hotspot values for some countries, mainly in Asia. The figure is therefore replaced by the corrected figure.

Keywords Allergic anisakiasis; hotspot map; Systematic review; Correction

The original published version of this article (Rahmati et al. 2020) contains errors. The correct figure is presented here.
