Correction to: Human Genetics

<https://doi.org/10.1007/s00439-018-1884-1>

The authors noticed that Figure 5A and B aspect ratios appeared sub-optimal in the online published version. This has now been changed.

The original article can be found online at <https://doi.org/10.1007/s00439-018-1884-1>.
