Correction to: Human Genetics
<https://doi.org/10.1007/s00439-021-02354-4>

The original article has been corrected.

In the original publication, information regarding the color code in Fig. 3 was given incorrectly. The correct Legend to Fig. 3 is given here:

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

Fig. 3 Diversity and frequencies of variants (protein description) in GJB2/GJB6 genes among Latin American countries; c.35delG was excluded, and the variants were divided into three charts to allow a better analysis; **A** other frequent variants and **B** less frequent variants (colors of each country are the same in **A** and **B**, except for Brazil which is purple in **A** and medium blue in **B**)

The original article can be found online at <https://doi.org/10.1007/s00439-021-02354-4>.
