### Erratum to: Oecologia DOI 10.1007/s00442-017-3890-8

Unfortunately, the equation was incorrectly published in the original article and the same is corrected here in this erratum. The original article was corrected.

The correct  $N$  equations should be:

$$N_{\text{yearling},t+1} = (N_{\text{yearling},t} + N_{\text{ad},t} + N_{\text{imm},t})\phi_{\text{juv},t}f_t$$

$$N_{\text{ad},t+1} = (N_{\text{yearling},t} + N_{\text{ad},t} + N_{\text{imm},t})\phi_{\text{ad},t}$$

$$N_{\text{imm},t+1} = (N_{\text{yearling},t} + N_{\text{ad},t} + N_{\text{imm},t})\omega_t$$

---

The online version of the original article can be found under  
doi:[10.1007/s00442-017-3890-8](https://doi.org/10.1007/s00442-017-3890-8).
