CORRECTION

Correction to: The influence of cross-sectional channel geometry on rheology and flux estimates for active lava flows

Einat Lev[1] · Mike R. James[2]

Correction to: Bull Volcanol (2014) 76:829
https://doi.org/10.1007/s00445-014-0829-3

The original version of this article unfortunately contained a mistake. The text accompanying Eq. 3 in the published paper should be corrected.

Currently:

$$\gamma = 1 - \frac{384}{\pi^5} \sum_{n=1,3,5...}^{\infty} \frac{1}{n^5} \tanh \frac{2an\pi}{4h}$$

Should be:

$$\gamma = 1 - \frac{384}{\pi^5} \sum_{n=1,3,5...}^{\infty} \frac{1}{n^5} \frac{h}{2a} \tanh \frac{2an\pi}{4h}$$
