Correction to: Bulletin of Volcanology (2021) 83: 26
<https://doi.org/10.1007/s00445-021-01440-9>

The original version of this article unfortunately contained a typographical error. In the original manuscript the age of Laacher See, Germany, was given as 110,000 B.P (Freundt and Schmincke, 1985). The age should have been stated as 11,000 B.P. This change does not affect the results or conclusions in the paper. (Subsequently, Bogaard (Earth Planet. Sci. Lett., 133, 166, 1995) dated the eruption at 12,900 B.P.).

The online version of the original article can be found at <https://doi.org/10.1007/s00445-021-01440-9>
