The Acknowledgements section should be modified as

This study is related to the project no. 1398/9812 from Student Research Committee, Shahid Beheshti University of Medical Sciences, Tehran, Iran. We also appreciate the “Student Research Committee” and “Research & Technology Chancellor” in Shahid Beheshti University of Medical Sciences for their financial support of this work. Laurent Dufossé deeply thanks the Conseil Régional de La Réunion, Indian Ocean, for continuous financial support of research projects dedicated to microbial pigments and shows gratitude

to Mireille Fouillaud and Yanis Caro for many years of close association in microbial pigments research.

The Original Article was corrected.
