ERRATUM

Erratum to: Laparoscopic splenectomy is a better surgical approach for spleen-relevant disorders: a comprehensive meta-analysis based on 15-year literatures

Ji Cheng¹ · Peiwu Yu² · Kaixiong Tao¹

Published online: 29 April 2016
© Springer Science+Business Media New York 2016

Erratum to: Surg Endosc DOI 10.1007/s00464-016-4795-z

The affiliation of first author Ji Cheng should be Department of Gastrointestinal Surgery, Union Hospital, Tongji Medical College, Huazhong University of Science and Technology,

not Southwest Hospital, Third Military Medical University. Peiwu Yu was mistakenly added as a corresponding author, but he can only be identified as a co-author based on his contributions; thus, Kaixiong Tao should be the only corresponding author and the author order should be changed to Ji Cheng, Peiwu Yu, Kaixiong Tao.

The online version of the original article can be found under doi: [10.1007/s00464-016-4795-z](https://doi.org/10.1007/s00464-016-4795-z).
