This article was updated to a correct typo in Figure 3 (the stapler only surgeon count = 205, not 295).

This article was updated to correct the third sentence of the next-to-last paragraph, to read: “The idea of this study was not to account for every dollar but to look at the bigger picture of trend in the cost.”

This article was updated to correct the fifth sentence of the next-to-last paragraph of the Discussion section, to read: “Nonetheless, staplers were used in 88% of cases, and SUDs in 80% with a distinct correlation to individual surgeons.”

The original article can be found online at <https://doi.org/10.1007/s00464-020-08266-0>.
