## Correction to: Computational Mechanics <https://doi.org/10.1007/s00466-023-02401-z>

In the original publication of the article titled “Thermodynamically Consistent Effective Stress Formulation for Unsaturated Soils Across a Wide Range of Soil Saturation,” which appeared in *Computational Mechanics* (2023, DOI: <https://doi.org/10.1007/s00466-023-02401-z>), there was a misprint in the presentation of the authors’ names. Specifically, the first name of the second author was erroneously spelled as “Jayanta.” The accurate spelling is “Jayantha.” Hence, the corrected authorship is listed as follows:

Javad Ghorbani  
Jayantha Kodikara
