**Erratum to: *Pediatr Nephrol***  
**DOI 10.1007/s00467-016-3571-6**

The last sentence of the second paragraph of the Results section should read:

Fourteen patients developed NODAT between 8 and 30 days post transplantation, five of whom required insulin therapy for > 12 months.

The authors apologize for this error and for any inconvenience caused.
