Correction to: *Pediatr Nephrol.*

<https://doi.org/10.1007/s00467-020-04693-2>

The published version of the article unfortunately contained a mistake. In several occurrences, the citations to references [11] and [13] were mistakenly cited as [12] and [14] respectively. These errors were introduced during the revision stage. The authors apologize for this mistake. The original article was corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1007/s00467-020-04693-2>
