Correction to: *Pediatr Nephrol*

<https://doi.org/10.1007/s00467-021-04974-4>

The authors would like to revise the diagnostic and treatment flow chart (fig. 1) to include the pathway for symptomatic children with the finding of a renal cyst on ultrasound on investigation of their symptoms. The revised version of fig. 1 is presented below. The original article has been corrected.

The online version of the original article can be found at <https://doi.org/10.1007/s00467-021-04974-4>
