Correction to: International Journal of Biometeorology
<https://doi.org/10.1007/s00484-019-01803-0>

The original article was published with an erroneous rendering of Eq. 2 in the article's Methodology section. Provided is the correct rendering of this equation:

$$PI_i = 100 \times \left(\frac{\text{Number of deaths in } C_i / \text{Total Number of Deaths}}{\text{Number of days in } C_i / \text{Total Number of Days}} - 1 \right) \quad (2)$$

where C_i stands for the different weather types.

This correction stands to correct the original article. The original article has been corrected.
