The article Adaptive ELM neural computing framework with fuzzy PI controller for speed regulation in permanent magnet synchronous motors, written by F. Vijay Amirtha Raj and V. Kamatchi Kannan, was originally published electronically on the publisher's Internet portal (currently SpringerLink) on 06 May 2020 with open access. With the

decision of the author(s) to step back from Open Choice, the copyright of the article changed on 26 May 2020 to © Springer-Verlag GmbH Germany, part of Springer Nature 2020, and the article is forthwith distributed under the terms of copyright.

The original article has been corrected.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s00500-020-04994-6>.
