### **Support Care Cancer (2000) 8:266–371**

Unfortunately, there were two errors in the original version of this article.

1. Patients and Methods section, page 367  
"In total 1,089 cycles..." should be "In total 1,281 cycles..."
2. Legends of table 3, page 369  
"Characteristics of the 1,281 chemotherapy cycles, i.e. 1,281 cycles without..." should be  
"Characteristics of the 1,194 chemotherapy cycles, i.e. 1,194 cycles without..."

We very much regret this oversight.
