Retraction Note: Neural Comput & Applic (2017) 28:245–264
<https://doi.org/10.1007/s00521-015-2053-2>

The Editor-in-Chief has retracted this article [1] because it significantly overlaps with a number of articles including those that were under consideration at the same time [2–4] and previously published [5–7].

Author Chih-Hong Lin agrees to this retraction.
