RETRACTION NOTE

Retraction Note: Risk analysis method of bank microfinance based on multiple genetic artificial neural networks

Xiong Zhong[1] · Sheng Zhou[2]

Retraction Note to: Neural Computing and Applications (2020) 32:53675377
https://doi.org/10.1007/s00521-019-04683-y

The Editor-in-Chief and the publisher have retracted this article. This article was submitted to be part of a guest-edited issue. An investigation concluded that the editorial process of this guest-edited issue was compromised by a third party and that the peer review process has been manipulated. Based on the investigation's findings, the Editor-in-Chief therefore no longer has confidence in the results and conclusions of this article.

Sheng Zhou and Xiong Zhong have not responded to correspondence regarding this retraction.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at https://doi.org/10.1007/s00521-019-04683-y.
