**Correction to: Calc. Var. (2019) 58:117**  
<https://doi.org/10.1007/s00526-019-1560-x>

In the published article, the reference cited at the end of the proof of Theorem 5.1 was published incorrectly. The relevant line should read as: “It follows by Morse Theory (see Theorem 7.1(17) in [8]) that  $F$  has at most one interior critical point, and it is a simple critical point.”

**Publisher’s Note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
